RE: Letter of Support-Ms. FARIDA NUR QOMARIYAH

Dear Dean of the Faculty of Nursing, Khon Kaen University

I'm writing to provide support for FARIDA NUR QOMARIYAH, as an outstanding student in the Master of Nursing Science International Program. Throughout the program, Ms. Farida has demonstrated her excellent academic performance. She is always an active leader and participant in the class learning activities. Her course assignments show that she has a strong foundation in nursing science, critical thinking, and scientific integrity. Her GPA is 4.00 as a result of her great qualities. I am confident that she is a good candidate to receive the scholarship to be a member of the Sigma Theta Tau International Honor Society of Nursing, Phi Omega at-Large Chapter.

Ms. FARIDA NUR QOMARIYAH has the potential to be a remarkable nurse leader in the future. Consequently, I strongly encourage her to apply for the scholarship for STTI Phi Omega at-Large Chapter membership, as the candidate from the Master of Nursing Science International Program.

Yours faithfully,
